**BRIDGE OVER THE TRAP ROCK
RIVER TO BE BUILT AT ONCE**This Action Was Decided Upon at
Meeting of Calumet Township Board
Yesterday Afternoon—Plans Will be
Prepared at Once—Rights-of-Way
for New Roads Being Secured.The regular monthly meeting of the
Calumet township board was held yester-
day afternoon, an adjournment hav-
ing been taken from the day previous.
Township Clerk C. E. L. Thomas re-
ported the progress made in securing
the rights-of-way for proposed new
roads. He also reported that all rights
of way had been secured for the pro-
posed new road in the Trap Rock river
valley district, with exception of one
section, about one-quarter of a mile.
It is expected that no difficulty will be
experienced in this respect, however.
A delay has been occasioned in secur-
ing the right-of-way through that par-
ticular section because of the absence
of one of the owners, who is now in
Europe.The board authorized the clerk to
have plans and specifications prepared
for the bridge that is to span the Trap
Rock river, connecting with the pro-
posed new road through that section.
Bids are to be advertised for immedi-
ately for the erection of the bridge.
Every effort is to be made to have this
bridge built at the earliest possible
moment, as farmers are seriously in-
convenienced at the present time in
getting to and from their several
farms, particularly during the late fall
and early spring.A resident of the Lake Shore district
appeared before the board yesterday
afternoon with reference to the build-
ing of a new highway in that section.
A petition for the building of this road
has already been presented to the
board, and action will be taken next
spring. Highway Commissioner Chas.
Mugford was instructed, however, to
make any necessary repairs to the
road at once, so as to make it passable
for the time being.Considerable new road work is an-
ticipated by the board next year.**BEN RIDDER TO WED.**Eccentric Socialist, Who Recently Vis-
ited Here, Will Settle Down.Dr. Ben Ridder, who styles himself
the "Millionaire Tramp," and who re-
cently visited the copper country, is
in Duluth."I like Duluth and have decided to
make this city my home," he said to
the Duluth News-Tribune. "My wander-
ings are nearly at an end. I shall
be married here the latter part of this
week, and then go into business of
some kind. Yes, I am engaged to be
married. I have been dubbed a
"woman-hater," said the "Millionaire
Tramp," but Cupid has got me and I
acknowledge his power. Her name?
Ellen Christiansen of St. Paul. She
is the daughter of a merchant there.
When her folks learned that she was
engaged to marry me they were en-
raged and set her adrift with two
trunks. I was at the Ryan hotel, and
she called me up and told me of her
plight. I gave her \$55, all the money
I had. She was identified with some
church societies and they have dis-
carded her because I do not look good
to them. We shall be married in
Duluth about next Friday or Satur-
day. She wants to be married by a
minister but I am an agnostic and
free thinker and I prefer a justice of
the peace. That point has not been
settled yet. Miss Christiansen is a
Protestant. After we are married I
shall cut out this traveling and lec-
turing."It is well known that I do not
pay railroad fares. In eleven years
of wandering I have paid out but
\$125 for railroad transportation. I
had to pay my fare to Duluth from
Cloquet the other evening, but the
people on the train found it out and
took up a collection to return me the
price.""Is it true that you are a million-
aire?" Dr. Ridder was asked."I have just \$122 in my pocket at
the present time. But I have some
property, and my foster father is a
millionaire. If I ever need money I
can get plenty of it."The case of John Gerich, charged by
Emil Johnson, with assault and bat-
tery, has been adjourned in Justice
Fisher's court until Thursday morning
of next week.**VERSATILE ACTOR VISITS
ELKS TEMPLE AFTER SHOW**Burr McIntosh is Not Only a Star on
the Stage but One of the Most Expert
Men in Photography in the World—
Accompanied Taft on Trip Around
World Two Years Ago.Last night's attendance at the regu-
lar meeting of the Calumet lodge of
Elks was the largest for the season,
which was very gratifying to the offi-
cers. A total of five candidates were
initiated.Burr McIntosh, who is an Elk, and
members of his company, who played
"The Gentleman from Mississippi" to
a packed house at the Calumet theater
last evening, were the guests of the
Calumet Elks after the performance.
Mr. McIntosh and members of his
company entertained the members
present, and a very pleasant hour was
spent. Mr. McIntosh ranks high as an
actor, and his versatility is one of his
many features. He is also a photo-
grapher of national renown, and a
globe trotter.Mr. McIntosh said that he was in
Calumet about twelve years ago. About
that time a new discovery was made
for the reproduction of photographic
work, through the medium of printer's
ink. This discovery greatly interested
him and resulted in his establishing
the Burr McIntosh magazine, pub-
lished in New York, and known as one
of the most artistic publications issued
in this country. It contains many re-
productions of Mr. McIntosh's photo-
graphic art.It is not generally known that Mr.
McIntosh was the official photograp-
her with William Howard Taft and his
party when he took that memorable
tour around the world two years ago
in his official capacity as secretary of
state. Among the countries visited
were the Philippines and Japan.During the evening Mr. McIntosh
gave some of Paul Lawrence Dunbar's
negro ditties in his most inimitable
manner. Needless to state the rendition
of the ditties like his conversation
was greatly enjoyed.**GREAT INTEREST SHOWN
IN REVIVAL MEETINGS**The tide of interest is rising in the
revival meetings which are being con-
ducted at the Calumet M. E. church
under the leadership of Hart and Ma-
gann, the evangelists who are in the
city. The afternoon meetings are pro-
ving to be very profitable to those that
attend. The first call to those who
would turn from worldly things and
try to lead better lives was made last
evening and it was freely responded
to. Almost everyone in the congrega-
tion seemed affected and a scene of
that kind has seldom been witnessed
in a Calumet church. The church is
looking forward to a great awak-
ening and it is believed by many that it
has come."One and All" lodge, Sons of St.
George, held a regular meeting last
evening. Nominations for officers for
the ensuing term were made. The
nominations will be open again next
Wednesday evening. The semi-an-
nual election will take place during
the early part of December.**SPECIAL SALE OF TAILORED
